

~Terms & Conditions for Consignment~

- You leave your items here at your own risk; Alaskan Dames is not responsible for loss or damage
- You consign furniture for 4 months.
- If your items do not sell within the 4 months consigned you have 2 options: leave it to the ownership of the store and we will donate it for you, or pick up your items yourself.
- We are pricing approximately $\frac{1}{2}$ of retail. Please keep in mind that we are in the business to **SELL** your items, not have them sit in our store for 3 months. We will mark it down regularly or have sales to move the merchandise.
- Mark downs are 10% off after the 1st month, 25% off after the 2nd month, and 50% off after the 3rd month.

~Commission Structure~

- For items we price at \$200.00 and more your commission is 50% of the final selling price. (excluding any item fees)
- For items we price under \$200.00, your commission is 40% of the final selling price.
- The consignment period for furniture is 120 days and household accessories is 60 days.
- Once an item has sold, any money due to a consignor is immediately available.
